

TDX-48

48VDC AC-DC Converter Power Supply

Introduction

Excellent power supply to be used with Industrial Ethernet PoE Switches which need to be powered with 48VDC. This external power supply adapter supports up to 72W output power. It includes bare wire leads which are directly connected to the power terminal block.

Features

- Output: 48V / 1.5A / 72Watt , connected through 2-pin terminal block
- Input: 100-240V , 50/60Hz 2.0A
- Over voltage, current, temperature protection
- Short circuit protection with auto recovery
- 1m output cord length
- RoHS 2 compliant
